Hi Lisa,

We will review our files and we will contact you to let you know our findings.

Have a great rest of the week.

Nazario

Dear Nazario:

I am looking for the original construction drawings for the Highland Medians which were constructed around 2005 (or perhaps earlier) - specially the Highland Medians located between Melrose and Fountain Avenue. It is my understanding that these six (6) medians were built by the City and our organization (The Hollywood Media District BID) is looking to overall the existing medians with new irrigation and plant material.

Let me know at your convenience
